

European Newsstream guide

INTO[®] MANCHESTER

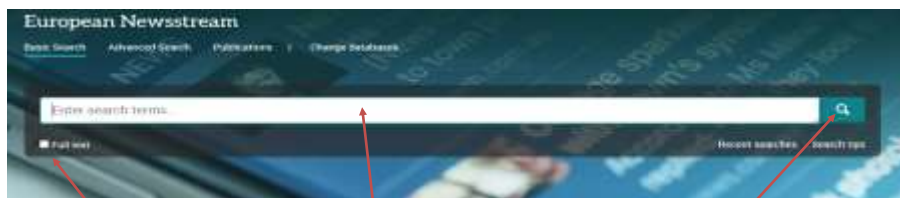

European Newsstream lets you search the most recent and old UK, European and American newspapers. You can search in quality broadsheet newspapers such as *Guardian*, *Times* and *Financial Times* and business trade magazines like the *Grocer*.

Using European Newsstream

- 1) Use your OpenAthens ID and password to access Ebsco Discovery.
- 2) In Ebsco Discovery click on the red toolbar

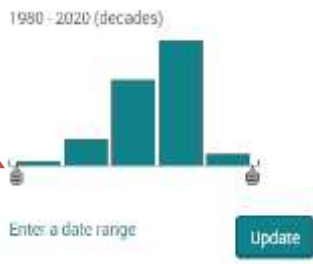

The following page opens;

Select **full text**. Type in **search term** and click on **search icon**.

- 3) You can filter your search results in different ways one way is by date. Use the grey handles to change the date period and then click update.

Website: <http://intolearningcentre.co.uk>

Brightspace: Library Services then e-library

E-mail: manchester.lrc@intoglobal.com

Telephone: 0161 631 1222

Another way to filter a search is to choose the newspaper you want. Click on the down arrow next to **publication title** and a list will appear;

You can choose which newspaper you want, always choose a broadsheet *Guardian, Independent, Observer, FT or Times*. If you want extra titles click on more.

If you want a trade magazine like the *Grocer* click on trade journals which are located in **source type** and choose the publication you wish to search.

4) When you have looked through your results and have found one or more articles of use you can save each one as a PDF or choose one of the other options available.

5) More complex ways of searching is available by choosing the **advanced search** option.

6) **Help videos** are available on our website <https://intolearningcentre.co.uk/> and in Brightspace in the course area 'Skills for Success'.
