INTO MANCHESTER

**Issues Online** is a database of high-quality articles, e-books and videos and e-books on **social issues** for example health, the environment, drugs and refugees.

## A) Using Issues Online

Logon into Ebsco Discovery using your OpenAthens ID and password. In the big search box type in **Issues Online**. Then click

search. On the next screen on the right hand side are the instructions for logging

onto **Issues Online**. Click on the logo.

Once your inside the database you can

Search in 3 ways, general one, by subject or by e-book.

## B) General Search

Brightspace: Library Services then e-library

E-mail: [manchester.lrc@intoglobal.com](mailto:manchester.lrc@intoglobal.com)

Telephone: 0161 631 1222

Let's for example search for refugees. You can **filter your search** by choosing yes or no on the **down arrows**.

The **type of information** found is shown by a picture. See below.

### C) Searching by Subject

Click on PSHE subjects a drop down menu appears choose the subject you require.

### D) Searching by e-book

Click on e-books library and click on the subject you want. Then click on the cover of the e-book you wish to look at. You can read the book but can't download or print it. We have hard copies of every book in the Learning Centre asked staff where to find them.

### E) Printing

You can print **any article** in Issues Online. Just click on the print icon.
