General Search

- 1) Using the search box, you can search via a **keyword**. Type it in then press search. In this example we search *Refugees*.
- 2) Once you have made your search, you can then filter your results. Choose yes or no on the various down arrows to ensure you get the most relevant resources.

Searching by Subject

- 1) Click on **PSHE Subjects** for a drop-down menu of topics, as well as a link to **PSHE Topics** for a full-list. Select one to be taken through to relevant resources.
- 2) You can filter the results in your chosen topic by going to “Filter Selection”.

Searching by eBook

- 1) Click on **eBooks Library** and select the subject you want.
- 2) Click on the cover of the eBook you are interested in reading. You can read the book, but you may not print or download. We do have physical copies available in the library for those interested.
