

# Guide to European Newsstream

**European Newsstream** allows you to search UK, European and American newspapers, both old and new. You can search in quality broadsheet newspapers including *The Guardian*, *The Independent*, *The Financial Times* and business trade magazines like *The Grocer*.

## Using European Newsstream

- 1) Use your OpenAthens ID and password to access EBSCO Discovery
- 2) In EBSCO Discovery, click on **European Newsstream (newspapers)** in the toolbar menu (highlighted in green).

- 3) The below page will open. Here you can use the search box to search by keyword/term. When searching, make sure to tick **Full Text** to the lower left of the search box (highlighted in green).

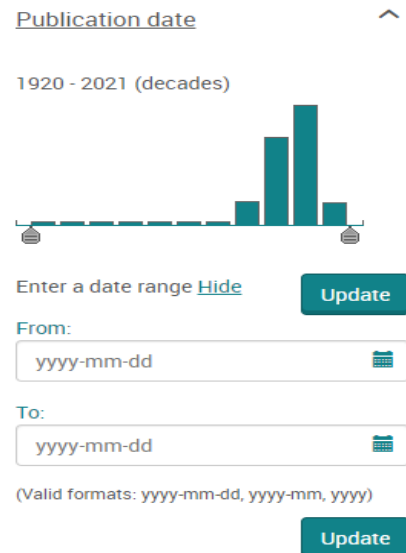

August 2022

## Filtering your searches

1) You can filter your searches *by date* by going to **Publication Date**. Use the grey handles to change the date period, or type the years you are interested in, and then click update.

2) You can filter by the newspaper you want by going to **Publication Title**. You can also narrow these choices down by selecting a particular **Source Type** first, e.g, *Trade Journals*.
